Canuk's 10-point Omicron safeguards for December 17

- [1] Canuk is asking everyone attending the December 17 dinner-and-dance to order the free NHS rapid test kits immediately
- [2] Canuk will make arrangements for temperature testing on the day
- [3] Everyone is advised to self-test no later than 24 hours before coming on the day
- [4] Canuk's welfare committee will be on standby on the day assisting everyone to abide by the guidelines
- [5] Everyone is advised to bring a face mask on the day. Additional face masks will be provided by Canuk
- [6] Canuk is advising everyone who wants to attend the event to get their booster vaccines before December 17
- [7] Hand sanitizers will be provided by Canuk
- [8] Everyone is advised to report their result online using [www.gov.uk/report-Covid19-result](http://www.gov.uk/report-Covid19-result)
- [9] Canuk is advising anyone who tests positive not to attend the event. Please get in touch with our welfare secretary immediately if you test positive
- [10] Although Canuk is taking every precaution to protect public health, we condemn in its totality the unsavoury propaganda surrounding the Omicron strain simply because it is believed to have originated from Africa. There is no medical evidence to suggest that the Omicron strain is more dangerous than others that originated in Europe like the Alpha or Delta strains.

Kind regards

Ayo Akinfe  
Chairman

Judy Akuta  
Welfare secretary

Doyin Ola  
Social secretary
